We are now at the start of another season and I would like to congratulate you on the progress you have made. I have been told that many of you have made a real difference to your teams through your dedication to training so WELL DONE!

As you all know, I try to keep the training sessions fun as well as instructive. To achieve this, I also must attend regular FA courses, the costs of which have to come from the Find Us Keepers business. As you can also appreciate, other costs such as venue hire and insurance are also increasing so to keep the business running I must, reluctantly, increase my charges for the new season.

In addition, to help me run productive sessions, I must have regular attendance from you because when numbers change week to week it is very difficult to plan challenging and consistent training.

**PAYMENT - now due on the week off**

☐

- Each 5 week block of training sessions will now cost **£42.50 for the Monday ,Friday and Sunday groups** as these are hour sessions and **£45 for the Saturday** as this is longer , I would like the money to be paid up front direct to my bank account at Barclays, sort code 20-97-34, account number 20576468 , **in the description could you put your child's nickname** that they have , or if you are paying by cheque can you make it payable to Andy King .

- If you cannot make a session due to illness or any other reason, I am afraid the payment will not be refunded. If you cannot make a session, **please** let me know as soon as possible as it does affect the training proposed for the other players you are welcome to come to a different session as an alternative.

- Anyone who has not paid up front for the 5 week block because they can only attend training occasionally due to work commitments etc. will pay the higher rate of **£12** per session

- If I have to cancel a session for any reason, the cost will be deducted from the next due payment

- **Dates that include school holidays** - if school holidays clash with any training dates there are three options available 1) pay for the 5 and potentially make up at other sessions , 2) pay the Occasional rate of £12 for sessions that can be attended or 3) miss the 5 week block entirely - this is not greatly advised as it will put the student behind.

- As I have always said, good quality training is a commitment from me to you but also from you to me. To achieve this, I feel the above needs to be put in place so that Find Us Keepers can continue to support you, your son or daughters drive to be **NUMBER 1**.

### **CONTACT REGARDING TRAINING**

From 2016 I am going to ask that rather than me texting everybody every week to find out if people are training , instead I am going to ask that you text me if your or your son / daughter IS NOT TRAINING. In summation , if I do not receive a text or any other contact before training I will assume that they will be in attendance .

If you have any problems with anything on this page please contact me .  
you in the new year . Best Wishes Andy

I Look forward to seeing
